Introduce

OUR COMPANY

XNK Thien Ha Thuy Limited Company (THT) is a garment company that products and designs samples according to domestic and export orders. Established in 2012 with more than 10 years of experience in sewing products for the Germany market.

With the statement: "Quality is joy, together build up a happy life" - We always have a strategy and specific production plan according to orders. Our staffs have a professional working attitude, continuously training to maintain their skills. The equipment/machinery is regularly renovated and renewed; Quality-tested raw materials bring the best quality, prestige and satisfaction to our customers.

In addition to the value of quality, we also together build up a community, a team of employees, where the benefits of employees are guaranteed and focused; contribute and actively participate in community activities.

With the reasonable price, we believe that THT will be the right choice. Looking forward to cooperation in the future!
